Infonex Inc. has over 20 years experience as a recognized name in providing timely, useful business information to Canadian private sector and government executives.

Check out our recently launched specialty division, **INX Training!**

Our Stats:

A recent sampling of attendees revealed that **70% were mid- to senior-level decision-makers.**

A more detailed analysis showed, 41% were CEOs to Directors, 29% were Managers, and 30% were eager junior corporates

We are not a *big show*, so the opportunity for sponsors to have real face-time with our delegates is of the most value!
